## Ação JRA na EB e Sec. Dr. Ângelo Augusto da Silva

26 de abril

Os cerca de **70 alunos** do 10º ano que estiveram presentes, tiveram ainda a possibilidade de ouvir em primeira mão, na voz da Jovem Repórter, **Filipa Murta**, as suas experiências e participação neste Programa ao longo dos últimos anos. A Filipa, falou das **missões** e **seminários** em que participou e até de ter sido selecionada como representante do programa JRA, a nível internacional, na **COP 22** que decorreu em novembro de **2016** em **Marraquexe**.

Foi um privilégio poder ter tido a oportunidade de dar uma aula aos alunos do primeiro ano da licenciatura em Saúde Ambiental da ESTeSL, falar um bocadinho de mim e dos projetos em que ando "metido", em especial os JRA. Muito obrigado pelo convite professor Vítor Manteigas! O feedback não podia ser mais positivo!
