Origem: (nenhum clipe)    Controles de efeitos    Mixer de clipe de áudio: DSC\_0341

Programa: DSC\_0341

The screenshot displays the Adobe Premiere Pro interface. At the top, the 'Mixer de clipe de áudio' (Audio Clip Mixer) is visible, showing six channels (A1 to A6) with level meters and gain controls. The central video preview window shows a landscape scene with trees and a rocky stream bed. Below the preview is a timecode display at 00:00:32:09 and a playhead. The bottom section features a multi-track timeline with tracks for video (V1-V5), audio (A1-A6), and master. The timeline contains various clips, including video segments and audio effects like 'Gráfico', 'DSC\_0328.MOV [50.98%]', 'DSC\_032', 'DSC\_0337-b', 'DSC\_0337-b.M', 'DSC\_034', 'Atenuad', and 'Alter'. The interface also includes a 'Navegador de mídia' (Media Browser) on the left and a 'Gráficos de vídeo' (Video Graphics) panel on the right.

# A EDIÇÃO

**Obrigado! Um excelente e motivador  
seminário para todos**
